

DoD SBIR Registration Worksheet

Created by Industrial Interface, Inc. (www.industrialinterface.com)

Before applying to the DoD SBIR program, you need to register at <https://www.dodsbir.net/submission>. This worksheet helps organize which information required at each step of the grant application process.

For more details, please visit <http://bit.ly/12tikWQ>.

Company Information and Small Business certification (required):

- Company Name
- Address (include City, State, ZIP)
- Federal Tax ID OR Social Security Number (if not yet incorporated) of applicant
- SBA SBC ID Number

History with the SBIR (required):

- Company Point of Contact (aka Principal Investigator, or PI). ***This must match the contact information for the SBA SBC number above.***
- Year company founded
- Company history of SBIR awards (years for Phase I/II; did you IPO based on technology developed as part of those awards, patents resulting from SBIR awards).
- Total Revenue for the last fiscal year
- Percentage of above revenue originating as SBIR funding

Information Required after Application Submission:

There are several fields that you don't need to fill out before submitting an application. You will need these before you can be awarded a grant. **If you don't have the following information, don't worry about it until you complete your grant application.**

- DUNS Number
- CAGE Code
- SIC Codes
- NAICS
